The river is blue.

The clouds are white.

The sun is yellow.

The land is green.

The flowers are pink.

The orange tree is orange.

My shirt is red.

The dirt is brown.

Now the clouds are grey. Will it rain?

The rainbow has many colours.
Can you name them?

The sun is setting. The sky is now red.

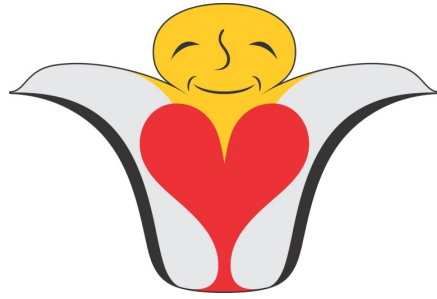

That helicopter is purple with pink spots.

The fire is orange and red. Be careful!

The night sky is black, and the stars are white.
